Statement of the Connecticut Chiropractic Association

Senate Bill 98

Insurance and Real Estate Committee

March 1, 2016

Members of the Committee:

The Connecticut Chiropractic Association would respectfully request that any insurance coverage mandate for Acupuncture be placed within a stand-alone statute. As drafted, SB 98 places this new requirement in the existing Chiropractic statutes (Section 38a-507 and Section 38a-534). We would appreciate your consideration of this request. Thank you.
